| | FDP SHyMet Intern Learning Plan | Type |
|---|---|--------|
| 1 | SHyMet Intern 1: Orientation | Course |
| 2 | SHyMet Intern 2: GOES imaging and sounding area coverage, resolution, and image frequency | Course |
| 3 | SHyMet Intern 3: Satellite Meteorology: GOES Channel Selection | Course |
| 4 | SHyMet Intern 4: Polar Satellite Products for the Operational Forecaster | Course |
| 5 | SHyMet Intern 5: GOES Sounder Data and Products | Course |
| 6 | SHyMet Intern 6: GOES High Density Winds | Course |
| 7 | SHyMet Intern 7: Cyclogenesis | Course |
| 8 | SHyMet Intern 8: Introduction to satellite interpretation for severe weather | Course |
| 9 | SHyMet Intern 9: Satellite Applications to Tropical Cyclones | Course |
